

RURAL MATHEMATICS AND TALENT SEARCH EXAMINATION, 2010

General Instruction:

1. All DI's are requested to instruct the schools to encourage the school going children of class VI of Govt./Govt. aided schools of Rural Orissa to participate in the test.
2. The examination centres should be fixed in such a way that there should be **atleast** one examination centre in each block. However care must be taken to see to it that children do not have to walk more than 2 kms to come to a centre. Fifty students at a place would merit a centre.
3. DI's are requested to collect the data sheets alongwith all other necessary documents and examination fees from the schools and redirect the same to the Director, Institute of Mathematics and Applications, Andharua, Bhubaneswar-751003(Orissa) sufficiently well in advance.
4. Fixation of examination centre in each block in centralized location under the supervision of concerned DI's will be highly appreciated.
5. There will be two phase selection test. Those qualified in 1st test can appear for the 2nd test.

Preparation of Consolidated data sheet/student list etc:

1. After fixation of the examination centre, the Head of the school(fixed as centre of examination) should be instructed by the DI of school for submission of the filled in formats and examination fees etc. in his office sufficiently in advance(atleast 15 days before the last date of submission of application form).
2. The name of the student, category, name of the school in which student is reading, class roll number should be entered correctly (as in the admission register) in the respective column of the format supplied.
3. The account statement should be submitted alongwith the data sheet. In the account statement, the Money order no/demand draft no with date should be mentioned in the respective column of the account statement.

NB:

1. The format for consolidated data sheet and application form, in which each participating school can send their information to Head of the School(fixed as centre of examination) is in page 5 and 6 of the Booklet. This format should be circulated to all schools for preparation of student list and other related information. Separate hand written format in a plane paper can be used for preparation of student list and consolidated data sheet etc.
2. The Head of the school(fixed as centre of examination) should send the student list and other related information in the specified format(hand written or typed, extra pages can be used).

Payment of examination fees:

1. Examination fees collected from the students should be sent as a demand draft in any nationalized bank in favour of Director, Institute of Mathematics and Applications, payable at Bhubaneswar or through money order.

Examination fee:

- i) For unreserved category: Rs 5/- (Rupees five only)
- ii) For SC/ST category students there is no examination fee.

Dispatch of Data sheet and other documents:

1. After preparation of list of student and account statement, the head of the school(fixed as centre of examination) should verify and compare the prepared list with the information supplied by the school in which the student is reading. After verification, it should be signed and submitted to his DI of school personally. DI of school shall redirect the same with a forwarding letter to the Director, Institute of Mathematics and Applications, Andharua, Bhubaneswar-751003 immediately or the Head of the school(fixed as examination centre) can send the same to the Director, Institute of Mathematics and Applications, Andharua, Bhubaneswar-3 directly with the knowledge of his DI.
